Re: Pettway v. The LIRR  
18 Civ 5869 (SDA)

Dear Judge Aaron:

As the docket will reflect, a trial in the above referenced action is presently scheduled for March 2, 2020. The parties have been working toward a settlement and are hopeful that this case can be settled shortly.

However, I was recently scheduled to undergo a surgical procedure on February 25, 2020 which will make it impossible for me to prepare and proceed on March 2, 2020 with a trial should this matter not settle.

I have spoken with Andrew Muccigrosso, attorney for the defendant, and he has consented to an adjournment in the event we do not settle this matter. There have been no previous requests for the relief requested herein.

Mr. Muccigrosso has informed me that he will be away from March 20-30, 2020 and we would therefore request a new trial date, if possible for the Court, in April 2020.

Wherefore it is respectfully requested that the trial presently scheduled for March 2, 2020 be adjourned to a date in April convenient to the Court.

Your consideration of this request is most appreciated by the undersigned.

Respectfully,

  
Fredric M. Gold  
Andrew Muccigrosso, Esq. (VIA ECF)
